Gentlemen

Attention Mr. F. L. Black
Business Manager.

We acknowledge receipt of your letter of July 1st, with reference to stories carried in Memphis Newspapers regarding the suicide of David E. George, of Enid, Okla., and for your information will advise that we have carefully examined the two papers published in Memphis on dates shown in your letter, and are attaching copy of the only item found in these papers.

With reference to a reported washout on the Frisco Railroad between Memphis and El Reno, we have been unable to locate any reference to same, nor were the local office of the Frisco Railroad at Memphis able to give us any information.

They referred us to Mr. J. H. Doggrell, Superintendent of Transportation, Frisco Railroad, Springfield, Mo., and you can no doubt secure more information from him, or if you desire, we will be glad to do so for you.
