Dear Mr. Black:

Under separate cover we are forwarding the photostats of the items which you desired to have reproduced. Also a copy of the Mead Brochure and a coin card.

Will you please tell your daughter that we do not happen to have one of the Japanese books on Lincoln and although it may be some time in arriving she will eventually have one.

We trust you had a safe arrival home and found the roads in better condition than you anticipated.

Please feel that we are very anxious to cooperate with you in this Lincoln project which you have in hand and we trust you will not hesitate to call upon us if you think we can be of any assistance in solving problems which you may confront.

Very truly yours,

Louis A. Warren
