El Reno, Oklahoma Jany 23, 1903

TO WHOM IT MAY CONCERN.

We N. J. Austin and G. F. Austin proprietors of the Austin Hotel situated in the City of El Reno.

After examination of a tin-type picture and photograph shown us by F. L. Bates of Memphis, Tennessee say that the same are true and correct pictures of one D. E. George or a man who claimed to be that man; This man George boarded at this hotel for a long while . We know him well, and do not hesitate to pronounce the pictures shown us as those of this man. And we fully corroborate the statement Messrs. Dumont and Brown as fully as if incorporated in this statement.
