Dear Mr. Black:-

I read The book, Escape and Suicide of John ~~Mills~~ Wilks Booth and am very much interested. It is much more complete than Levans and naturally would be as Mr. Baxter was his attorney and knew him longer. Levans is more of a political nature. Did Mr. John O'Brien write you about four months ago about this article, he said he would? Did you recently get one from H. H. Moore? If so and you accept article please mail one check to me for 70% and one to Moore for 30%. If you do not except same please return it to him in my care as I want to retain a copy of this. Should you receive this letter later on kindly notify me. or you Could make me a copy of article if Expence was not to great

Thanking you in advance for this favor, and if you ever come to Colorado to cool off don't fail to call on me.

Very truly yours,

Frank Brady
