

REV. JAMES GLASGOW ARMSTRONG—
PHOTO. BY ANDERSON

JOHN WILKES BOOTH

). This is the true Succession of our human organism. Man is made for something or what? This is answered clearly by Scriptures — and also find it answered by an analysis and examination of man's own Constitution — Look at him: Body, Animal life — Soul — This last shows made for God — Not so animals below — Now all things fulfill their true Functions & their Organism — Bird, Horse, Sheep — also Planet — Rain & Snow — &c —

Washington April 17th

J. Wilkes Booth Esq

Dear Ben

Yours of 10th inst. All right I open with you June 15th for two weeks. For God sake try for that time (2d June) I don't want to lay idle two weeks

Yours Truly

J. Wilkes Booth
