Mr Francis Wilson
400 Osceola Avenue North
Clearwater Fla

My dear Mr Wilson:

Again forgive me for neglecting you. The necessity of being down East to direct the filming of a moving picture and the fact that I have been working on the announcement of the new car are the reasons. I have the pictures ready to send but fear you may have left your present address for Lake Mohopoc. If you will advise me as to your address for the next week or ten days I will immediately forward them on to you.

I am sending according to your request:

George's Check for $350.
The J Wilkes Booth signatures
the real one and George's forgery
The "I Owe Jack Bernstein Ten Dollars"
item
Copy of a page of Booth diary
Tintype of John St Helen (Booth) defaced
Booth with cane
Booth crossing stage after leaping from
the box

Have you thought of any additional ones you would like?

Very truly yours
